- h. Motion passed unanimously.

**6. Planning Commission Discussion: Addition of new Zoning Ordinance Section 628 (River, Creek, and Wetland Setbacks) and Section 629 (Major Vegetation Removal).**

- a. Planner Rees provided an update on newly proposed Zoning Ordinance Sections 628 (River, Creek, and Wetland Setbacks) and 629 (Major Vegetation Removal), which had been previously recommended by the Planning Commission to the City Council.
- b. Planner Rees explained that since the Planning Commission submitted its recommendation on these sections to the Council, several revisions had been made to reduce some of the requirements.
- c. The most significant changes to the sections were the setback requirements in Sections 628(B) and exceptions in 628(C).
- d. The Commissioners discussed Section 628 and the concern about requiring setbacks from small manmade water features such as plastic ponds and fountains. The Commissioners recommended revision of Section 628(C)(2) to add the sentence "This does not include small plastic water features that are fully contained." There were no changes recommended for Section 629.

**7. Miscellaneous Planner Items.**

- a. Planner Rees informed the Commissioners of upcoming project applications.

- b. Planner Rees explained that SGC Grant items will be discussed at future meetings.
