Thank you for booking your party at the Blue Lake Roller Rink. We are looking forward to having your group skate with us. Please read the following guidelines before your party date. Complying with these guidelines will make for a much smoother event for all involved.

## Public Skate Party Guidelines

1. You are welcome to arrive 15 minutes before the skating start time (Fri/Sat - 6:15PM, Sun - 1:45PM) to set up. You must furnish all plates, utensils, cups, etc. You are welcome to bring in your own decorations; however, please remember to remove them before your group leaves.
2. You will be assigned your tables when you arrive. Each table seats 8-10. Please use your assigned tables only. *If unrented tables are used by your party, we reserve the right to keep your deposit/charge for additional tables.*
3. Upon arrival, you will pay staff a **\$20 deposit** prior to setting up. Please arrange with the Skate Supervisor who you would like to include in your pass purchase at this time (e.g.: party guests only, parents/friends of guests included, etc.). If possible, come prepared with a guest list! During the skate session, guests included in your party will check in at the front counter, receive a ticket, and staff will mark them off of your pass. Staff will keep track of any excess skaters and deduct their admission from your deposit and/or charge you the remainder.
4. For the safety of skaters the following items are not allowed at the skating rink: trick candles, confetti, glitter, lollipops (any candy with a stick), gum, silly string, non-helium balloons, and any small play items (balls, etc). If you are planning to give out a goody bag to your guests, please do so **at the very end of the skate session.**
5. There is a refrigerator and a freezer available for cake/ice cream storage if needed; please let our staff know if you will need access to either during your party.
6. You are welcome to bring food and drinks for your party to enjoy, with the exception of alcohol and the items listed above. Please keep in mind that the tables are located in a carpeted area and you will be responsible for cleaning up after your party.
7. Our staff will provide you with cleaning supplies near the end of the skate session. You will be responsible for vacuuming the party area and wiping down all tables used by your group. *We reserve the right to keep your deposit if your area is not sufficiently cleaned.*
8. Please provide the skate supervisor with a list of names of the party attendees.
9. If you need to cancel for any reason, please kindly give us 48 hours notice.
