

CITY OF BLUE LAKE

Commission Information-Meeting Dates

The City of Blue Lake has five commissions; each commission is tasked with specific areas of interest. The commissions meet monthly and make recommendations to the City Council for consideration. The Planning Commission has additional authorities as identified in the City's Municipal Code.

Parties interested in filling vacancies must fill out a Council/Commission/Committee application and return it to City Hall for Council consideration. The application is available at City Hall, or on the City's website at www.bluelake.ca.gov
