*City Manager Mager:* Provides an overview of the flood event and the actions taken by the City; including contact with OES, and how the City received weather updates for the event.

*Kent Sawatzky:* Comments on creek flooding and historical practice of taking gravel out of the creek; gives the City an “F” on how they handled the flood event; major mistakes were made; he has more sandbags in Mexico.

*Commissioner Nava:* Shares that Commissioner Dickinson would like to assist in creating a stockpile of sandbags for future events.

*David Glen:* Comments on the creek flooding and how it affected the properties.

*Karina:* Asks who she should call during an event; felt that she wasn’t taken care of.

*Erin McClure:* States that her field was flooded by water from the County culvert.

*Kent Sawatzky:* Comments on communication; staff should have been called in to create a mini OES; lack of communication.

*Jason Crews:* Commends the PODS; the community took care of each other and helped their neighbors.

## **6. Humboldt County Sheriff Contract Update and Call Data Review.**

City Manager Mager provides an update on the status of the Sheriff Contract; states that the City has been working in partnership with staff from the Sheriff Department to come up with a reasonable and accountable cost proposal. The City has received a revised proposal from the Sheriff; the new proposed contract amount is \$190,000; this is down from the \$315,000.00 contract increase presented in June 2023. City Manager Mager states that the City’s ad-hoc team has been working really well with the Sheriff staff and she appreciates their efforts to come up with a cost methodology that is accountable and can be used for future negotiations. The City will be submitting a small Measure Z funding request to offset first year cost increases. The contract proposal will go to the Board of Supervisors in the near future.

### **Public Comment:**

*Lin Glen:* In the past, the Sheriff would not negotiate with the City; I’m very pleased to see the change and this is moving in the right direction.

*Kent Sawatzky:* The Sheriff is very reasonable; there is potential litigation if the City doesn’t have animal control; anything to lower costs is a benefit.

*Erin McClure:* Glad that the City decided to work with the Sheriff; Blue Lake is getting less safe; she respects law enforcement.

## **7. Greenwood Avenue Project Update:**

City Manager Mager provides a status update; the City has submitted their plans to the CTC for approval; the plan is to replace the water laterals along Greenwood in May and then start construction in June on the road and sidewalk improvements.

### **Public Comment:**

*Kent Sawatzky:* Comments that the lateral project should happen at the same time as the road improvements; a major concern of his is using the sidewalks as a bike lane; SHN Engineering is getting over 50% of contract amount.

## **8. Red Cross Update:**

City Manager Mager explains that the Red Cross has new staff; they will be reaching out to the City once they become situated.

**RE: 2% TDA Bicycle & Pedestrian Call for Projects**

Pursuant to HCAOG's adopted Rules and Regulations (Rules) 2% of the available Transportation Development Act (TDA) Local Transportation Funds (LTF) is set aside for the exclusive use of projects aiding pedestrians and bicyclists. The amount available for the calendar year 2024 project solicitation is **\$155,381**. This includes funds from the fiscal year 24-25 LTF estimate and unused funds from last year's cycle.

To put forward a project please prepare a response to the TDA Article 3 Evaluation Criteria Questions contained in Attachment II of the HCAOG TDA Article 3 Bicycle and Pedestrian Funds Policies. **Please submit project requests to HCAOG no later than March 21st, 2024, by 5:00 p.m.**

Separate from the annual project solicitation, the 2% Bike and Ped fund has a fully funded \$500,000 reserve. HCAOG's adopted TDA guidelines specify that at any time, if any urgent regional priority projects come up, any claimant can put forward a project for consideration.

Please contact me at [beth.burks@hcaog.net](mailto:beth.burks@hcaog.net) or 707-444-8208 if you have any questions.

Sincerely,

Beth Burks  
Executive Director
