**Mayor Jones reads the agenda report into the record.**

**City Manager Mager-** Intedata the City's water sewer billing software company asked staff to add clarifying language to Exhibit A. The city proposes an amendment to the language. Exhibit A under item number 1 proposing to add "the month following the date which the account is closed." This allows staff to stay consistent with how our billing system works.

**Mayor opens public comment:**

Julie Christie- commented that this has been a past issue, and good work on the dog leash law ordinance.

**Public Comment Closed.**

**Back to council.**

**Motion to** introduce and conduct the first reading of Ordinance Number 544 by title only with the changes noted.

**12. Review Staff Updates to the City of Blue Lake's Visioning Document and Provide Recommendations and/ or Direction for Further Analysis.**

**Mayor Jones introduces and reads the agenda report.**

**Council Discussion:**

**City Manager Mager-** brought this item to council to continue discussions on the Blue Lake's Visioning Document. No action needed now.

**Mayor Jones-** states in 1997 Blue Lake only had two commissions. Welcomes the idea of town hall meetings for public input but would also like to get commissions input as well.

**Councilmember Scafani-** expresses concern towards staff current workload and taking on a new project.

**Mayor Jones-** asked staff how they feel about taking on a new project.

**City Manager Mager-** appreciates council's concern for staff and emphasizes the importance of the visioning document. Has discussed The Blue Lake Visioning Document with city planner and will be brought to the Planning commission. Project does not have to be on the fast track. Would like to continue to focus on the document to some level.

**Councilmember Mackay:** expresses how the City of Blue Lake Visioning Document is great and suggests a facilitator with experience to lead potential future meetings.

**Councilmember Scafani-** states the document should be brought to the public since the document dates to 1997.

**Mayor Jones-** states commissions are the spoke people for the people.

**Mayor Jones opens public comment:**

**Lisa Hoover-**interesting approach supports commissions leading and then to the public, but not to expect the public to make all committee meetings.

**Lori Ponte-** Concur with Lisa, needs a process including community input as well as commissions.

**Julie Christie-** concurred with Lisa and Lori, not a fast-track item, been around a long time, General Plan needs updating, focus on general plan.

**Public comment closed.**

**Council Discussion:**

**Mayor Jones-** asks the city manager if the Blue Lake Visioning Document has been introduced to the commissions.

**City Manager Mager-** the Economic Development Commission has seen the document. Economic Development and Planning commission would be the two commissions actively working on Blue Lake Visioning document and brought forward to council with recommendations and approval.

**Councilmember Scafani-** asks about the General Plan update.

**City Manager Mager-** the city has been updating sections of the general plan. Extensive process. Garry Rees (City Planner) would be the best person to provide an update on the general plan.

**Councilmember Scafani-**requests the general plan presentation with the city planner be added to future agenda items.

**City Manager Mager-** states it would be beneficial for council to educate themselves on the general plan to understand the extensive process on updating the general plan. Agrees a presentation from the City Planner would be beneficial for council.

**Mayor Jones-** suggests commissions excluding Public Safety commission review the Blue Lake Visioning Document and a representative from the commission's report back to council.

**Public Comment: Kent Sawatzky-**strongly supports Julie comment.

**Councilmember Mackay-** suggests the City host a series of town hall meetings for community input on the Blue Lake Visioning Document.

**Council discussion ends.**

**13. Discussion Regarding Retail Cannabis Operations in the City of Blue Lake and Potential Changes to the City's Cannabis Ordinance. Discussion and direction.**

**Mayor Jones introduces and reads the agenda report.**

**Councilmember Mackay-** states she brought the item forward for discussion because the city could use more of a tax base. Limit it to one or two café style/dispensaries.

**Councilmember Shull-** states the permit process is very regulated.

**Councilmember Scafani-** points out many cannabis dispensaries are going out of business.

**City Manager Mager-** recommends council to direct staff to do some research on cannabis regulations, associated costs, and bring back to council.

**Councilmember Mackay-** would like to direct staff to investigate cannabis ordinances to limit the amount of retail cannabis businesses in Blue Lake.

**Council directs staff to research Cannabis regulations and bring back to council.**

**Mayor Jones opens public comment:**

**Mardi Granger-** Why not put out another survey as was done years ago.

**Lori Ponte-** Public and safety impacts to community, is there anyone asking for this type of business in town? Not in favor of selling marijuana Trinidad, Fortuna, or Loleta- no sales or dispensaries -quoted statistic of states, doesn't see the need as there are options.

**Kent Sawatzky-** asked in the past about selling, turned down. Could have sold 100-200K in product. Interesting conversation thinks business will go to online sales, many brick-and-mortar closing.

**Julie Christie-** wondered about permit process and location important as kids. We have many special events with alcohol, I know we need sales tax revenue, are we all buying online?

**Public Comment Closed.**

**Council discussion:**

**Councilmember Mackay-** asks if a consumer buys an item online does the city receive sales tax depending on where it is delivered.

**City Manager Mager-** for the most part yes. Has noticed district taxes on online purchases.

**Councilmember Shull-** states she would like to get the City attorney's perspective and determine the success rate of dispensaries around the area.

**Mayor Jones-** states she would like staff to look into implementing limit on retail cannabis businesses in the City.

Council directs staff to gather information on retail cannabis aspects.

**14. First Amendment Auditor Discussion -Discussion /tabled until April meeting**

**15. Redwood Curtain Design Annual contract –**

Mayor Jones introduces and reads the agenda report.

**Council Discussion:**

**Councilmember Scafani-** has been working with Redwood Curtain Design on updating the City website. Progress has been made but there is still additional work to be done. Introduces a proposal for 1 year flex time website design and technical support with Redwood Curtain Design. Proposal included in the council packet.

**Mayor Jones-** asks City Manager if a budget amendment would be needed for the potential new service agreement with Redwood Curtain Design.

**City Manager Mager-** the city can absorb the cost and no budget amendment is required.

**Councilmember Scafani:** Currently we are only paying him 30 dollars a month

**Mayor Jones-** this year proposal would start?

**Councilmember Scafani-** it would start the beginning of April 2024.

**Councilmember Mackay-** seeks clarification on the cost of the services.

**Councilmember Scafani-** it would be \$180 times 11 months \$1800 dollars for a full year. Correction that's the wrong amount, it would \$1980 for a full year with one month free.

**Mayor Jones opens Public comment:**

**No public comment**

**Public comment closed.**

**Motion:** to authorize staff to enter into a new service agreement with Redwood Curtain Design for 1 year with one month free.
