Presentation to the Blue Lake City Council

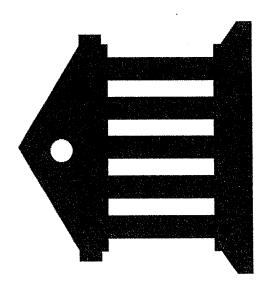

What is a General Plan?

The Governor's Office of Planning and Research (OPR) is the State's Comprehensive Planning Agency

OPR defines a General Plan as:

- The City's blueprint for meeting the community's long-term vision for the future
- Establishes a consistent citywide vision and direction for existing and future development
- Reflects community priorities, values, and includes supporting goals, policies, and implementation measures to achieve the community's vision

Power Creek District Redesignation/Rezoning

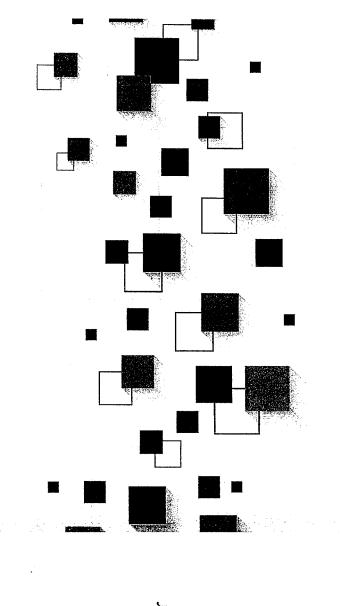

Where are we now?

- Vision for Power's Creek District (PCD)
- Transitioning away from Industrial
- Focus on Mixed-Use and Recreation
- Subdivision of PCD to prepare sites for development
- Reasonably foreseeable projects
- Submitted applications and/or ENAs
- Housing Element Update for 6th cycle
- Potential population growth for build-out under General Plan
- Plan for up to 2,000 population
- \circ Population = 1,166 (2024) vs. 1,234 (1985)

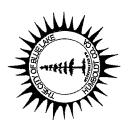

Modernization of General Plan

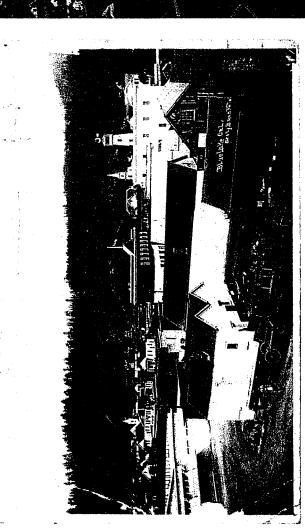

<u>Purpose</u>: To make the General Plan easier to review by the public and City staff

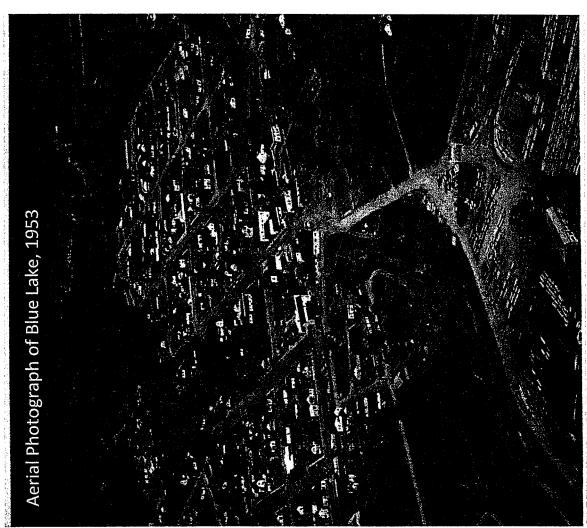

- Use text recognition software to transfer scanned versions of the elements into a word processing program
- Create individual pdfs of each element and a table of contents
- Upload to the City's website for easy access by the public

General Information: (Statement by Humboldt County): Over the past three decades Sacramento has taken over \$500 million in revenue from Humboldt County's budget. The combination of unfunded mandates and state takeaways is costing us more than \$25 million each year, and, with the State's current budget deficit, more takeaways are on the way. We need additional, guaranteed sources of local funding just for Humboldt County—that cannot be taken by Sacramento. We want to share the magnitude of the issues we see facing Humboldt County and hear your top priorities in advance of what is going to be a challenging budget cycle. Cal OES Form 130 Instructions

A Designation of Applicant's Agent Resolution for Non-State Agencies is required of all Applicants to be eligible to receive funding. A new resolution must be submitted if a previously submitted resolution is older than three (3) years from the last date of approval, is invalid, or has not been submitted.

When completing the Cal OES Form 130, Applicants should fill in the blanks on pages 1 and 2. The blanks are to be filled in as follows:

Resolution Section:

OES-FPD-130 (Rev. 10-2022)

Governing Body: This is the group responsible for appointing and approving the Authorized Agents.

Examples include: Board of Directors, City Council, Board of Supervisors, Board of Education, etc.

Name of Applicant: The public entity established under the laws of the State of California.

Examples include: School District, Office of Education, City, County or Non-profit agency that has applied for the grant, such as: City of San Diego, Sacramento County, Burbank Unified School District, Napa County Office of Education, University Southern California.

Authorized Agent: These are the individuals that are authorized by the Governing Body to engage with the Federal Emergency Management Agency and the California Governor's Office of Emergency Services regarding grants for which they have applied. There are two ways of completing this section:

- 1. Titles Only: The titles of the Authorized Agents should be entered here, not their names. This allows the document to remain valid if an Authorized Agent leaves the position and is replaced by another individual. If "Titles Only" is the chosen method, this document must be accompanied by either a cover letter naming the Authorized Agents by name and title, or the Cal OES AA Names document. The supporting document can be completed by any authorized person within the Agency (e.g., administrative assistant, the Authorized Agent, secretary to the Director). It does not require the Governing Body's signature.
- 2. Names and Titles: If the Governing Body so chooses, the names **and** titles of the Authorized Agents would be listed. A new Cal OES Form 130 will be required if any of the Authorized Agents are replaced, leave the position listed on the document, or their title changes.

RECOVERY DIRECTORATE FINANCIAL PROCESSING DIVISION

DESIGNATION OF APPLICANT'S AGENT RESOLUTION NON-STATE AGENCIES

OES-FPD-130 (Rev. 10-2022)

Checking Universal or Disaster-Specific Box: A Universal resolution is effective for all past disasters and for those declared up to three (3) years following the date of approval. Upon expiration it is no longer effective for new disasters, but it remains in effect for disasters declared prior to expiration. It remains effective until the disaster goes through closeout unless it is superseded by a newer resolution.

Governing Body Representative: These are the names and titles of the approving Board Members.

Examples include: Chairman of the Board, Director, Superintendent, etc. The names and titles **cannot** be one of the designated Authorized Agents. A minimum of three (3) approving board members must be listed. If less than three are present, meeting minutes must be attached in order to verify a quorum was met.

Certification Section:

Name and Title: This is the individual in attendance who recorded the creation and approval of this resolution.

Examples include: City Clerk, Secretary to the Board of Directors, County Clerk, etc. This person **cannot** be one of the designated Authorized Agents or Approving Board Member. If a person holds two positions (such as City Manager and Secretary to the Board) and the City Manager is to be listed as an Authorized Agent, then that person could sign the document as Secretary to the Board (not City Manager) to eliminate "Self-Certification."

9. Contract with the County of Humboldt and the Humboldt County Sheriff for the Provision of Law Enforcement Services in the City of Blue Lake.

Mayor Jones introduces agenda item and reads agenda report.

Council discussion:

Councilmember Edgar- Asks about any major changes to law enforcement services.

City Manager Mager- Changes include updated contracting language and cost methodology. Much better contract.

Councilmember Shull- Sheriff office will capture data and provide the data to the city?

City Manager Mager- Yes, and I appreciate Regina Fuller and Brian Quenell for meeting with the Ad Hod committee. Hard process. Adversarial process. Caught substantial costs that we were able to remove from the process.

Mayor Jones opens public comment:

Kent Sawatzky: comments that he had communication, and that we may be sharing a deputy with Trinidad.

Erika Dykehouse: thank you for working with Sheriff. No mention of animal control, is that separate? Julie Christie: comments that need to prioritize public safety and infrastructure. Need to think about public safety for community.

Public comment closed.

Motion: To direct staff to finalize the contract for law enforcement services with the County of Humboldt and the Humboldt County Sheriff and authorize the Mayor and the City Manager to sign the final contract documents pending approval of the City Attorney.

Motion by: Councilmember Shull Second: Councilmember Mackay

Motion Summary: Motion Passed

10. Discussion Regarding Retail Cannabis Operations in the City of Blue Lake and Potential Changes to the City's Cannabis Ordinance.

Councilmember Mackay-Corresponded with the Rio Dell City Manager regarding tax revenue from dispensaries. Rio Dell currently has two dispensaries in 21/22 the city received 59,961.49 in tax revenue. In 22/23 Rio Dell received \$54,847.11 in tax revenue. In 23/24 Rio Dell received \$43,876.00. Mayor Jones- Northwest flower company. Tour at the CA league of Cities meeting in May. Huge operation. That is not something we want to get into.

Councilmember Shull- Asks if any indication of an increase of arrests or drug issues.

Councilmember Mackay- I did ask those questions and I haven't heard back.

Councilmember Scafani- did some research and cannabis sales have gone down in the last three years. Looked at stats from Arcata and Eureka.

City Manager Mager- discussions have revolved around small retail businesses. Zoning I am looking to you guys for the second step. Not a high priority but staff needs direction for further analysis.

Councilmember Scafani- shares she talked to two cannabis dispensaries owners and discussed the feasibility of this type of business in Blue Lake. Before we spend more time and money on this topic suggest having a working session with cannabis dispensary business owners.

Councilmember Shull- I wonder if someone could come in and talk to the council about questions and concerns regarding cannabis retail businesses.

Mayor Jones opens public comment.

Mayor reads a public comment from Andrew Jones.

Lori Ponte: comments that she would like to watch this zoom presentation. Doesn't see purpose. Smoking is not allowed; a cannabis café seems odd. Would like further discussion, knowing the council

is desperate for revenue, but we have to leave BL to do most all things. You need to pump the breaks. Doesn't think cannabis needs to be a part of it.

Erin McClure- 100% agrees with Lori Ponte's comment.

Kent Sawatzky: Comments not to waste time. Has been tracked, Walmart and CVS will be able to get it. When borders are open, prices will change.

Julie Christie- this was visited 8 years ago, decisions were made, do not continue

Becky Thornton: Blue Lake too small. Must have a small business plan.

Public comment closed.

Mayor Jones- asks about the economic development agenda.

City Manager Mager- EDC can do additional work and bring back to council.

Mayor Jones- directs staff to add this item to the EDC agenda for June 11, 2024.

11. Council Correspondence

Mayor Jones reads council correspondence from Kent Sawatzky.

Mayor Jones reads council correspondence from the Ponte's.

Councilmember Edgar-points out the teleconferencing under the brown act applies to councilmembers remote into a council meeting. City attorney response in email chain.

Public comment:

Lori Ponte: does not appreciate the fact the mayor read the council correspondence backwards. Facial expression is obvious on zoom. The Brown Act isn't flexible. Pretty standard and needs to be followed in a public meeting. Appreciates the audible through zoom.

Erica Dykehouse: requests the agenda be amended to include Lori Ponte's correspondence.

Julie Christie: Kent's item should be added to next month's agenda. States that staff was messing with zoom audio until Justin took over.

Kent Sawatzky: outstanding PRA, requesting payroll expenses.

Public comment closed.

12. Consent Agenda:

- a. February 22, 2024 Regular Council Meeting Minutes
- b. Warrants and Disbursements
- c. Authorize the City Manager to Negotiate a Lease with Sjaaks Organic Chocolates
- d. Authorize the City Manager to Negotiate and Execute

Motion: approve consent agenda.

Motion by: Councilmember Shull Second: Councilmember Mackay

Public Comment-

Julie Christie- concerned about minutes only up to February, this is May. Where are others?

Kent Sawatzky- concerned about amount paid for inspection of water tank

Public Comment Closed.

Council member Scafanni- asks about Eureka Broadcasting on warrants and disbursements.

City Manager Mager- Marketing campaign for city events. Second year working with Eureka Broadcasting.

Vote: Ayes: Jones, Shull, Scafani, Edgar, Mackay Nays: None Absent:

Motion Summary: Motion Passed

13. Reports of Council and Staff

Councilmember Edgar- nothing to report.

Councilmember Scafani- Attended the Blue Lake Parks and Rec Meeting and RCEA meeting.

Mayor Jones- May 3, 2024, the League of Cities met in Rio Dell. Tour of the cannabis farm. Attended HWMA meeting approved their budget. Attended the Chamber of Commerce meeting. 18 vendors for Annie and Mary weekend so far. Attended the HCAOG meeting discussed unmet transit needs. Attended the Blue Lake Economic Development meeting. Discussed the sports complex development process, Townsquare project, container village concept, Powers Creek Restoration Project update.

Mayor Pro Tem Shull- Cancelled REDEC meeting. Attended the Blue Lake Chamber of Commerce meeting.

Councilmember Mackay- Attended League of Cities in Rio Dell. Speaker Nick Crawford. Attended the Blue Lake Arts and Heritage meeting. Powers Creek District Master plan slideshow discussed switching the Arts and Heritage meeting time and date.

Mayor Jones reads over the written City Manager report.

Public comment:

Julie Christie- comments that we need full managers report.

Kent Sawatzky- FEMA portion on the City Manager Report. Why design plan if no access to the property. If someone can't get along with City manager I would not be engaging with the City.

Erin McClure- Concurs with Kent Sawatzky comment, cart before the horse. Trespassing on her property. People say city owns the property.

Public comment Closed.

Announcements from Mayor Jones

Annie and Mary day July 14, 2024.

Saturday August 17, 2024, Blue Lake City wide yard sale.

Councilmember Shull- requests staff to provide a written document from the city attorney approving the hire of a council member.

City Manager Mager- Yes, I will forward the email to council.

City Manager Report

July 2024

Sheriff Contract Negotiations

The draft contract has been reviewed by legal counsel and our risk management team; contract revisions are being negotiated between County Counsel and the City's risk managers and should be ready for signature by the end of the month.

Parks and Recreation

• Town Square Construction Project: Work is underway on the town square project. To date, the contract has poured new sidewalks, installed the underground utilities, including water, wastewater, electrical and irrigation, installed the concrete slabs, formed, poured and painted the new ADA compliant parking space, and constructed the bathroom enclosure. Upcoming work includes the installation of the splash pad equipment and the final pour of the splashpad, along with final grading of the lawn area and installation of the lighting and landscaping.

North Fork Lumber has committed to donating the lumber for the shade trellis and we are working with their representative to facilitate the delivery. North Fork is evaluating the plans to see if the lumber can be milled to size utilizing their robotic milling operation.

 Bike Park: The bike park is fully under construction; currently two jump lines have been constructed and the third is underway. The City and Redwood Coast Mountain Bike Association have launched fundraising campaigns and the City has received several donations that will go to paying for material and equipment costs. RCMBA volunteered their time to staff the beer booth at Annie and Mary Day; this event brought in over \$2,000.00 which will go towards the on-going construction of the park. The City is also working on the delivery of additional dirt material from the Cal Poly Humboldt apartment project; the City has been allocated several hundred CY's of material that will be utilized to continue construction activities.

- Summer Camp: Summer camp is in full swing.
- Annie & Mary Day: This year's event was a huge success; the car show had the most entries in its history and the parade was the largest in decades. We had a full vendor line-up and all of the food vendors did extremely well. The BLVFD sold out of tri-tip sandwiches and we've received nothing but great reviews from vendors and attendees. The train rides were a huge success and we are very grateful to the Timber Heritage Society and the Blue Lake Chamber of Commerce for all of their hard work.

I would also like to recognize all of the City's staff for their hard work and dedication. Our Public Works crew did an amazing job prepping the City for the event and all of our staff had a hand in the planning and executing of the various activities during the day.

Capital Improvements

- The Greenwood Road Lateral Replacement Project is complete.
- The Greenwood Road Truck Improvement Construction Project has started; the contractor has demo'd the

sidewalks in front of the school and is in the process of pouring the new sidewalks and driveways on the west side of Greenwood. This work will continue for several weeks. The City has entered into an Exclusive Negotiating Agreement for the possible purchase or lease of the City Corporation Yard. Staff met recently with the representatives and suggested that a development timeline be submitted for Council's further consideration. The timeline would include a proposal for clean up and remediation of the site, along with a phased development proposal. Phasing the project would allow the City to work with the developer to transition the location of the corp yard, while at the same time cleaning both sites and **Property Negotiations** preparing for future development. City staff are in discussions with Jim Morehouse and James Brown regarding property development/acquisition options for property located in the Powers Creek District. Council has granted authorization to enter into an Exclusive Negotiating Agreement with Morehouse/Brown and staff expects this to be executed in the near future. Conversations are on-going as the developer is looking at additional development options and concepts. The City has legally obtained control of the former Blue Lake Power Plant site. The City engaged in a legal eviction process to regain control of the property. City staff are in the process of conducting site evaluations to determine **Blue Lake Power Plant** recommended next steps. The City will work with our resource agency partners and permitting agencies to address cleanup issues, along with

	developing a Request for Proposals for site clean up and demolition. City staff are also engaging in conversations with Redwood Coast Energy Authority to evaluate potential energy storage projectsOn-Going
Powers Creek District Master Plan and Parcel Subdivision	Storyland Studios has created a draft master plan for the Powers Creek District. This draft plan is being used to assist the staff in creating a recommendation for a parcel subdivision. The draft plan is being presented to the various City commissions for feedback and will be brought to the Council for review and discussion. This project is funded by the Economic Development AdministrationOn-Going
	FEMA Water Tanks Funding: The City submitted a funding request to the FEMA Hazard Mitigation Program to replace the City's two redwood water tanks. The City has received Phase 1 funding through the CalOES Program to complete the design, engineering and environmental work. Once this portion of the project is complete, the City will be funded through FEMA for the removal and installation of two new water tanksOn-Going
Planning & Engineering Projects	Housing Element Update: Staff has completed the final draft of the housing element and submitted it to the State for review. The State has received the final submittal and directed the City to pursue adoption. The City Planner is working on the environmental review and will be presenting the plan to the Planning Commission and the City Council for review and consideration of adoptionOn-Going
	Staff is working closely with our HCD representatives to address implementation of various initiatives; having a compliant housing element allows the City to participate in

a range of programs and funding opportunities. Staff will be making a recommendation to the Planning Commission regarding the implementation of the RHD Combining Zone, along with a recommendation on parcel application-On-Going
