

City of Blue Lake Arts and Heritage Commission

Meeting Agenda

Monday November 10th, 2025, at 6:30PM

Unless Otherwise Noted, All Items on the Agenda Are Subject to Action.

MEETING LOCATION: Skinner Store 111 Greenwood Road, Behind City Hall, Blue Lake.

Public Input can be given to the Commission by contacting the City Clerk at

cityclerk@bluelake.ca.gov, or by phone at 707-668-5655 until 4:00 p.m. on the date of the meeting.

Written comments may be submitted via email or by submission to the City Clerk at City Hall.

- 1. Establish a Quorum of the Commission
- 2. Approve the Agenda
- 3. Land Acknowledgement-Discussion/Action
- 4. Public Comment on Non-Agenda Items The Public is invited to present petitions, make announcements, or provide other information to the Commission that is relevant to the scope of authority of the City of Blue Lake that is not on the Agenda. The Commission may provide up to 15 minutes for this public input session. To ensure that each individual presentation is heard, the Commission may uniformly impose time limitations of 3 minutes to each individual presentation. The public will be given the opportunity to address items that are on the agenda at the time the Commission takes up each specific agenda item.
- 5. Appoint Secretary/Minutes Taker
- 6. Approve January 13, 2025, Meeting Minutes-Discussion/Action
- Approve September 8th, 2025, Meeting Minutes-Discussion/Action
- 8. Receive Resignation of Elizabeth Mackay dated Oct 7th, 2025
- 9. <u>Appropriate</u> <u>Appropriate</u>
- 10. <u>Survey for BL Residents "How to Get the Community Involved" Discussion/Action as Appropriate</u>
- 11. <u>Discuss Future of A&H and Possible Range of Options to Recommend to City Council</u>
- 12. <u>Murals and Sculpture-Ad Hoc Committee Update -Discussion/Action as Appropriate</u>
- 13. <u>City Logo Discussion</u>
- 14. <u>Fire Hydrant Project Discussion/Take Action as Appropriate</u>
- 15. Acknowledge Makers Space Discussion/Take Action as Appropriate
- 16. <u>Artificial Intelligence Use Policy-Discussion/Recommendation</u>
- 16. Future Agenda Items and Announcements
- 17. Motion to Adjourn

A request for disability-related modification or accommodation(s), including auxiliary aid or services, may be made by a person with a disability who requires a modification or accommodation in order to participate in the public meeting, by contacting the City Clerk at 707-668-5655, at least 24 hours prior to the commencement of the meeting.

City of Blue Lake

Arts and Heritage Commission Meeting Minutes January 13, 2025

Quorum Established: Elizabeth Mackay, Julie Douglas, Sherri Green

Commissioners Absence: Randy Toroni, Alice Finen

Staff Present: Mandy Mager

Public Present: Justin Goad, John Sawatzky

Meeting Called to Order: 6:35PM

2. Approval of the Agenda

Public Comment: None

Motion: To approve the agenda tabling item #8-AI Policy Discussion

Motion by: Green Seconded by: Douglas

Motion Summary: Consensus

Public Comment:

John Sawatzky: None Public Comment Closed.

3. Approval of the November 18, 2024 meeting minutes

Motion: to Approve the Minutes from November 18, 2024 as presented

Motion by: Douglas Seconded by: Green No Public Comment

Motion Summary: Consensus

4. Art Based Traffic Calming

City Manager Mager presents on the item; work continues on traffic striping on Greenwood Road; staff is working to ensure that installation of the blue paint at the crossings by the school can be applied to the crossings. City Public Works staff may paint the blue in the Spring if it can be maintained and will not cause visibility issues. Additional traffic striping will take place in upcoming weeks.

City staff is working on a design for a mini roundabout; the City has received funding from HCAOG to design, engineer and install a mini roundabout on G Street. City staff will work with the community on the design to ensure pedestrian safety; additionally the mini roundabout will be designed in a manner to allow it to be replicated in other areas. I Street is another location that a

mini roundabout could be installed; other options include diagonal parking, signage and stop signs. This work will start after the Greenwood project is completed.

Public Comment:

John Sawatzky: States he is speaking as a community member; supports the mini roundabout idea and would like to see a sculpture and mosaics as part of the design.

5. City Hall Signage: City Manager Mager presents the draft sign package for City Hall; this includes the main sign at the front lawn and the signs for the building that have the hours and contact numbers for City Hall. Commissioners reviewed the signage and recommended switching the orange border to a blue border. The City Manager will ask the sign company to provide a revised submittal with the color change; this will be brought to the City Council for approval at the January 28, 2025 meeting.

Public Comment: None

6. Fire Hydrant Art Project: City Manager Mager presents an update on the project; due to the continued weather issues it was recommended that the artists work at their own schedule and pace. City staff has prepared a packet for the hydrant adoptees; this packet will be circulated and public works will set aside time when the paint will be made available for pick up.

No Public Comment

7. Murals and Sculpture Report: The Commission discusses options to increase opportunities to develop murals and the development of sculpture installations. City Manager Mager recommends that the Commission focus on a single mural location and a single sculpture location to start out. The Commission agrees to focus on the Dell'Arte south wall for a mural and the mini roundabout and a location near the museum for a sculpture. The Commissioners will reach out to local artists to gain interest and discussions regarding the Dell'Arte mural will include ideas, vision, partnerships and messaging.

Public Comment:

 John Sawatzky: States his support of the mural by Frank Onstine's house and how it enhances the creek and covers up the concrete.

8. Future Agenda Items:

a. Land Acknowledgement Discussion

b. Murals and Sculptures Report

9. Adjournment

83 Motion to Adjourn: 7:35pm

84 Motion by: Green

82

85

Seconded by: Douglas

86 Motion Summary: Consensus

City of Blue Lake Arts and Heritage Commission Meeting Minutes September 8, 2025

1. Quorum established: Ruah (Cyndy) Phillips, Barbara Russell, and Sherry Green

Commissioner's Absence: Elizabeth McKay

A&H Liaison: John Sawatzky,

Public Present: Justin Goad, Kent Sawatzky, Diane Yang

2. Approve the agenda.

Public Comment:

Julie _____ proposed to accept Agenda but kick the action items for tonight as the public was not given a packet for any of those items and decide what items to start with tonight and what to keep for next meeting. She encouraged the commission to focus on the projects we could do before the October's meeting, like the hydrants, so we could keep moving forward. Barbara commented that she liked the suggestion but thought we would go through things quickly and asked for clarification on the action items.

Sherry asked for a motion to table action items since the A&H Commission is just reforming...to table #8 until next meeting.

Sherry made the motion to approve the agenda as presented. Barbara seconded it. Unanimous approval.

3. Public Comments on Non-Agenda Items

Sherry read the Public comments agenda section aloud.

Ken Sawatzky requested going back to look at the branding/logo of Blue Lake. He didn't like the darkness of the currently approved logo. He felt as a businessman, it wasn't marketable to Blue Lake. He suggested the current A&H Commission play with ideas, maybe get 3-4 of them, and ask for public opinion to see what the people of Blue Lake want.

Julie (Unsure of last name) concurred with Ken's comments. She proposed a new logo/brand every year so that it opens opportunities for schools and children to contribute. She also encouraged local children's involvement: fire hydrants, murals, anything we can do to bring kids in. She said she'd be happy to help the A&H Commission forge connections with the local school and teachers if we didn't have them already.

4. Appoint a Chair-person

Sherry mentioned Elizabeth wasn't back. Ruah asked if we could continue it until next meeting. Sherry agreed.

Opened for public comments. No public comment.

Survey Questions for Arts and Heritage Commissioners: Discussion/No Action 44 #1. What do we identify as the main purpose of the A&H Commission? 45 Barbara—wants to be able to inspire creative solutions for Blue Lake's challenges as art 46 is a good way to do that and get ideas. 47 Sherry—we are here to suggest, support and advise projects of art, culture and heritage 48 49 within Blue Lake and encourage others. Ruah-agreed with Sherry's slant and mentioned she's especially attracted to working 50 with the greater Blue Lake community in fun ways-schools, special events, mixers, 51 pizza, parties, etc.-to get more input and collaboration with the local community to 52 understand what is important to work on and get creative solutions together. 53 #2. Which past A&H projects need attention? 54 Sherry—murals and sculptures, public art, art education 55 Barbara asked about the murals—what murals? Do we have ideas. 56 Sherry mentioned she was on the ad hoc committee and she had questions about it. 57 She also mentioned that should be a future agenda item. 58 Ruah mentioned being new to Blue Lake and the Commission, what she had heard 59 were the murals, the logo, the fire hydrant projects were past items that still need 60 addressed, but she wanted to understand more from the public what they were 61 remembering as she was having trouble viewing the past A&H commission meetings. 62 Barbara asked if the past videos were available. Justin from the audience said yes. 63 #3. What ideas do you have for future A&H projects? 64 Barbara said she had ideas for a mural...Sherry said we would talk about that at the 65 meeting. Barbara continued she wanted to work alongside the Economic Development 66 committee ... and included wanting to identify what the needs are of the community. 67 Ruah agreed with Barbara—she wanted to explore different ways to work with the city 68 and the community to use arts to generate revenue ... maybe working with City Council. 69 #4. What are ways we can get more input from local community? 70 Barbara-a survey. Maybe arts and heritage, economic development and safety 71 commission? She wants to foster creativity for everyone to help people to make money 72 73 with old-fashioned skill sets. Sherry offered we have a town meeting with a survey /questionnaire passed out 74 beforehand that participants could fill out ahead of time and then come to the meeting 75 with their ideas so we could discuss them. 76 Ruah liked that idea and wondered if there was some app we could use for the 77 questionnaire. She suggested both a physical survey and an app. 78 Sherry commented that it would be important to have this done before the town hall 79 80 meeting. Barbara spoke of Glendale having a survey on a water bill that you could scan and take 81 online to get comments. She suggested we do have that & have the results of that be 82 available online, then have the meeting. She mentioned over 250 people did the survey 83 in Glendale from their water bill. 84 Sherry suggested that be on the next agenda. 85 A&H Liaison: John S. asked if this would an internal survey or open to the public

Sherry clarified she thought it should be an internal survey that the commission decides upon that is then sent out to the public. Barbara said she thought the public should be able to add some questions too.

Someone from the public (unknown) asked what the survey might be about. Shorry

Someone from the public (unknown) asked what the survey might be about. Sherry reiterated what she'd said before.

Public Comments:

Ken S. Agreed with Barbara and recommended a person be appointed to attend any of the other commissions to figure out how to work with them—parks and rec, chamber...this way people could form partnerships—he said he didn't think it had happened in the past, but it might be a good idea.

Julie (unsure of last name)—said she thought it is important for economic growth—she brought up examples from other places and talked about having a town hall meeting where every commission is there and represented—do a community wide one—where all the commissions could be there. Maybe make it a mixer, something fun for adults and kids could be entertained, live interaction. Promoting everyone getting together, commissions and public.

Barbara brought up that maybe kids could do art projects/murals/large paintings that represent what they want done and they could flesh that out with art because art is a great way to get ideas together. Sherry recommended this be tabled. This way kids could do some art and then they could hang them up for the town hall meeting. "Where do we want to g as a community."—start at the kids and work up. Sherry again said she thought it would be best to continue this for next time "How to get the community more involved." Someone from the audience (unknown) asked if they would have the ability to give input. She was told yes during public input on that agenda item (for next time). She talked about another town where one day a year they had a certain amount of people that would open up there place/craft/art businesses and show what they did...and it brought attention to different businesses, and everyone got business from it. She also talked about the local Open Studios...she thought both would be nice to incorporate here to showcase people's talents and help drum up business.

Ruah—asked A&H Liaison John S, if we wanted to do a survey through a water bill or QR code or whatever, how does the A&H commission get the survey together since they're not allowed to get together outside of meetings because of the Brown Act.

A&H Liaison John S. responded the commission should do that during the A&H meeting...then maybe have the chair or liaison come to a council meeting, and the council would need to approve it. Then the A&H commission would send it out to the public. He said the commission could actively do it during a meeting or form an ad hoc that would generate it and then bring what they put together back to the A&H Commission meeting. Sherry wanted to generate a survey now but was told it's a discussion item only and therefore not eligible for taking any action on it tonight.

6. Fire Hydrant Project Discussion/No Action

Sherry mentioned Mandy was in charge of the fire hydrant project. She said some are done, but not all are accounted for. She wasn't sure where we are with that.

130	Barbara said you go to City Hall, get an application, draw your design, and they tell you		
131	whether you can do it. She believed there are still some available.		
132	Ruah mentioned it's somewhat a loose communication as some folks put in an application and		
133	never hear back.		
134	A&H Liaison: John S. Said he could follow up with that, as could we. He asked if the		
135	commissioners wanted to discuss it.		
136	Sherry said she didn't know what to discuss. She opened it up to the public.		
137			
138	about doing it on her own (without City Hall). But she went to City Hall and was told to		
139	contact Gwenn/Glenn (?). She was told by Barbara to go to City Hall to fill out the form, seek		
140	approval, etc. She mentioned that she had already been to City Hall and no one told her that		
141	it would have been nice if someone had. She expressed confusion with the process for fire		
142	hydrants and City Hall's procedures.		
143			
144	7. Acknowledge Maker's Space-Discussion only/No Action		
145	Sherry said she didn't know anything about it.		
146	Barbara and Ruah said the same thing. They all agreed to table it.		
147	Public comments—none.		
148			
149	8. Land Acknowledgement: Discussion only/No Action- continued until next time		
150			
151	9. AI Use/Recommendation		
152	Sherry said it was discussed at the last A&H meeting, brought up by Mandy, but she felt it		
153	A CONTRACT C		
154	A member of the public asked questions about it Sherry clarified the above.		
155			
156	Ruah asked to make a motion to continue the rest of the agenda items so that they could hand		
157	the room over to the next party that needed it.		
158			
159	Sherry made a motion to continue the AI and Ad Hoc Committee Update (Murals and		
160	Sculptures), Agenda Items 9 and 10 to the next meeting. Barbara seconded. No vote taken.		
161			
162	10. Future agenda items		
163	"Survey for how to involve the community more questions, and how we are doing to do it?		
164	Ad hoc? In tandem with economic development or what other commissions do we want		
165	involved.		
166			
167	**Logo-discussion of where to go with it and whether we want to welcome community		
168	submissions and whether we want to keep that logo or open up for me.		
169	Public Comment: John S. said the council recommended the logo come back to A&H Commission for		
170	final approval but wasn't sure what happened with it as it was so long ago.		
171			
172	Sherry said she thought it had already been approved but asked if they were opening that		
173	discussion back up.		

A&H Liaison: John S. said we couldn't talk about it now. Ruah requested the current logo could be in the packet materials for the next meeting. All agreed we could discuss all this next time. **Fire Hydrant project—Sherry plans to find out with Mandy/City Hall what is happening with that so we can bring it back next time 11. Motion to Adjourn Sherry motioned to adjourn the meeting at (no time noted). Ruah seconded it. Unanimous approval. Meeting ended. Minutes prepared by: Cyndy Ruah Phillips

Resignation

1 message

Elizabeth Mackay <elizabeth@catch-light.com>
To: Tonie Quigley <officeclerk@bluelake.ca.gov>

Tue, Oct 7, 2025 at 12:57 PM

Tonie,

Please accept this as my resignation letter from The Arts and Heritage Commission.

Thank you for the opportunity to serve, and I hope you find another person to fill this position.

Thank you, Elizabeth

Elizabeth Mackay Owner & Photographer Catch-Light Photography 707.845.4160 elizabeth@catch-light.com

Agenda Item: 13

Date: October 8, 2025

Subject: Update on Progress of Blue Lake Fire Hydrant Project

Recommended Action: That the Commission:

1. Receive Information from City Staff on Progress of Project

2. Provide direction as appropriate; and

3. Provide Recommendation to City Council if appropriate

DISCUSSION:

At their September 8, 2025, meeting, Commission members expressed interest in receiving an update on the Blue Lake Fire Hydrant Project, where the community was invited to Paint-A-Hydrant throughout the City of their own design.

The Blue Lake Fire Hydrant Project was the brainchild of former City Manager Mager. The Parks and Rec Department, along with limited city staff are currently doing the follow up.

The public was notified through various public media ie. Face Book and the City web page, as well as flyers that were posted several places in town.

The process was to come to City Hall, pick up an application, submit a drawing of a suggested vision for a hydrant, along with choices of what hydrants would be preferred and the completed application. The applicant was then notified that their application was approved, and information was sent out to the applicant regarding paint pick up, rules, regulations and authorizations.

The applicant was to coordinate with the city to pick up paint, and to have the hydrant prepped by Public Works prior starting to paint. They were also to provide their own containers for paint.

City staff recently contacted all the applicants as to whether they had completed their project, and if so, if they would be interested in painting additional hydrants. City staff will continue to work alongside Park and Rec to work towards getting the project back on task. With the coming rainy weather, the project may need to be looked at again in the spring as the oil-based enamel paint requires a few dry days drying time.

FISCAL IMPACT: None with this action.

Phone:					
Email Address:					
		ysical Address, Including Cros 3 ^{rd:}	ss Streets		
1 st :	2 ^{nd:}	3.0			
Additional Location	Description:				
		. If you would like to sponso your hydrant, you may parti			

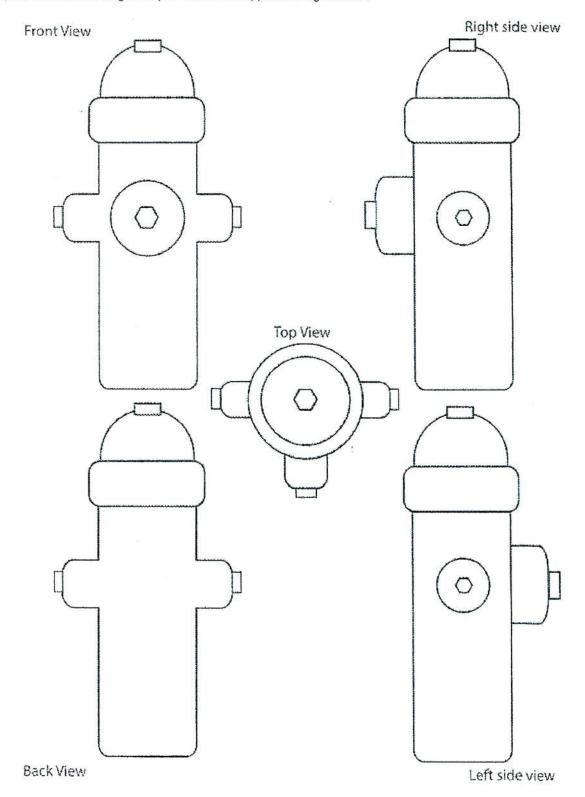

but need assistance in designing or painting your hydrant, you may partner with an artist, school or group to develop and execute the design. You are responsible for contacting and selecting your art partner; however, we can assist with suggesting possible art partners. If your submitted design is not initially approved, changes may be made to meet the guidelines.

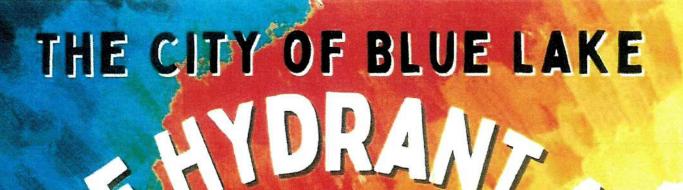

COMPLETED Applications are due by 4PM on September 30th.

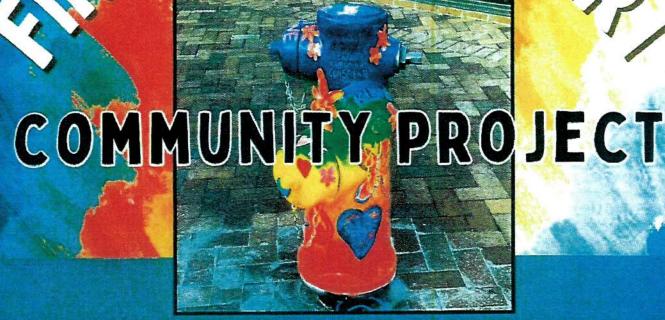

Please return the completed application(s) to Blue Lake City Hall.

City of Blue Lake-Hydrant Art Submission

Please provide a color sketch of your proposed project; please refer to the rules and regulations regarding paint colors and designs as provided in the application agreement.

WELCOME FIRE HYDRANT ARTISTS! THANK YOU SO MUCH FOR YOUR APPLICATION AND ENTHUSIAM!

The City is happy to announce that you have been selected to participate in our first community art project.

Attached, you will find information regarding paint pick up and rules for application.

As Winter is here, we have decided to let you determine your own paint day(s) and times and we hope that you will share your progress on our Blue Lake Happenings Facebook page.

WE ARE TRULY GRATEFUL FOR YOUR COMMUNITY SPIRIT!

City of Blue Lake-PAINT-A-HYDRANT Program Rules, Regulations and Authorizations SPONSOR / ARTIST REQUIREMENTS

- 1) Hydrants may be beautified using ONLY oil-based enamel paint for metal.
- 2) Property around the hydrant should be kept clean and neat when working on the hydrant. A drop cloth (provided) must be taped around the bottom of the hydrant covering the sidewalk, ground or any area adjoining the hydrant.
- 3) Paint may not prevent the functional use of the hydrant. The three openings and the top turning knob must all function. Hydrant threads may not be painted. Paint cannot seep into it to prevent operation.
- 4) Painting may not reduce the hydrant's visibility.
 - * Paint may not be all black, all white, dark camouflage green, or use patterns and/or designs that reduce the hydrant's visibility.
 - * Paint colors may not be the same color as the vegetation or items surrounding the hydrant.
 - * Black paint may not cover more than 20% of the overall hydrant.
 - * Red paint may not cover more than 50% of the overall hydrant.
- 5) Use bright, vibrant colors.
- 6) No attached or added objects may be used. Paint only.
- 7) Design must be appropriate for public places
 - * Paintings/art cannot endorse an individual or business.
 - * No offensive, derogatory or obscene graphics.
 - * No gang tags.
- 8) No logos, copyrighted or trademarked graphics.
- 9) No text is allowed anywhere on the hydrant except a 3"x3" area for the artist's signature
- 10) Sponsor may partner with an artist, art class, art school, etc. to design and execute the art. Please contact Mandy Mager at City Hall for suggested resources if you need assistance.
- 11) ONLY hydrants in the City of Blue Lake have been approved for this program.
- 12) The City will provide each artist with paint; this will include the primary colors, which may be combined to make additional colors. The paint will be made available to each artist and the pick up of the paint will be coordinated with the City Manager or the Public Works Superintendent.

AGREEMENT/HOLD HARMLESS: By signing below and participating in the Paint-A-Hydrant Program, you agree that you have the permission and authority to act as agent for the Sponsor. Additionally, you acknowledge that the City of Blue Lake, and their affiliates are not responsible in any way for any injury or property damage directly or indirectly associated with this program and/or event.

The design is approved for a 3-year period. During that time, Adoptee is available for the upkeep and maintenance of the design. If the hydrant is vandalized, the adoptee has 30 days to fix and maintain the original, approved design. If hydrant is vandalized with offensive, derogatory or obscene graphics, the City of Blue Lake hydrant crew reserves the right to paint over/remove the obscenity until the adoptee renews the approved design. If a hydrant becomes non-functional because of damage, the City of Blue Lake reserves the right to replace it with a new hydrant and the sponsor may elect to repaint it with the approved design during the 3-year period.

By signing this waiver, the hydrant adoptee is agreeing to all rules, guidelines, and criteria associated with the Paint-A-Hydrant Program and is responsible for communicating this information to those executing the design, and supervising the work on, their adopted hydrant.
